STATINTL

[REDACTED]

Yesterday afternoon [REDACTED]
O/DCI Training Officer called me to
advise that they at the moment have
no nominees for the Senior Seminar.

STATINTL

He did add however that Ben Evans
had requested that when all the nominations
are received here I send a list of the
names to him so he can review with Mr.
Colby. They may decide at that point
to nominate someone from the DCI area.
